CHAMBER  
OF TRIKALA

# Taste of Trikala

The civil, non profitable company «TASTE OF TRIKALA» it was created by a team of businessmen of the prefecture of Trikala aided by the Chamber of Trikala. Its aim and goal is to preserve the traditional cuisine of Trikala and to make known the gastronomic variation of our region. Through a constantly growing and organized network (restaurants, taverns, confectioneries, shops with traditional products), every single member of the “TASTE OF TRIKALA” promises to offer unique tastes of Trikala, exactly as they have been preserved through the years and delivered from one generation to the next.

Unique tastes, made from traditional local products and form people with zeal and taste, using the purest materials, will lead you in a tasteful journey to the history and the gastronomic heritage of our region.

The famous sausage of Trikala made with the unique recipe ... the traditional pies, the game, the local meet, the dairy, the traditional preserves, the various herbs and spices of the mountainous region and various recipes of Trikala invite you to experience the culinary heritage of the Prefecture of Trikala.
